It is probably not surprising to anyone that many ISMIR attendees are either amateur or professional musicians. What might shock some is that all of these talented people, gathering yearly to discuss novel techniques to retrieve information from music, never really take this chance to play some music. Let's change that.

We are delighted to introduce the new ISMIR Jam Session. Multiple instruments --biased towards pop-rock*-- will be available for anyone to play and jam with other attendees. To serve as a source of inspiration, we have carefully compiled this songbook with human annotated data (i.e., lyrics and chords) that will hopefully make you want to hit the stage immediately**. Let's play some music!

Albert Pla - El Lado Más Bestia de la Vida

C F7
 Manolo era todo un macho de pelo en pecho
 C F7
 pero estaba algo cansado, estaba harto de su sexo
 C D
 así que se afeitó y se depiló

 F7 D
 y ahora Manolo es toda una mujer
 C F7
 desde que va por el lado de la vida más salvaje.
 C F7
 Sí Manoli por el lado salvaje de la vida.
 C F7
 Natalia era un poco pija libertina y sin manías.
 C F7
 Sus amantes mantenían su pisito de estudiante.
 C D
 Pero eso sí, era muy decente
 F7 D
 sus clientes eran ricos, finos y elegantes
 C F7
 y así sobrevive por el lado más salvaje de la vida.
 C F7
 Sí Natalia, por el lado más bestia de la vida.
 C F7
 Jaimito el camellito nunca dió nada
 C F7
 ni un toque por aquí ni un toque por allá

 C D
 si te quieres flipar tendrás que pagar
 F7 D
 y es que en esta ciudad ya no hay nadie que no diga.
 C F7
 Hey amigo te vienes conmigo.
 C F7
 Eh Jaimito.
 C F7
 Aurelio se fue del pueblo, voy a comerme el mundo
 C F7
 era un poquito palurdo campechano y aburrido

C D
y si ahora lo vieras en la discoteca
F7 D C
que marcha lleva venga venga venga
F7
bailando por el lado más bestia,
C F7
sí el Aurelio por la pista más bestia de la vida.
C F7
María iba a mil por hora, iba muy deprisa
C F7
cuanto más ciega se ponía más agusto se sentía
C D
acabó con ella una taquicardia
F7 D
y su mejor amigoa ya me lo decía
C F7
es que María iba por el lado más bestia de la vida,

Amy Winehouse - Back to Black

Intro:Dm Gm Bb A

Verse:

Dm Gm
He left no time to re-gret,
Bb A
Kept his dick wet, with his same old safe bet.
Dm Gm
Me... and my head high,
Bb A
And my tears dry; get on without my guy.
Dm Gm
You went back to what you knew,
Bb A
So far removed, from all that we went through.
Dm Gm
And I... tread a troubled track,
Bb A
My odds are stacked; I'll go back to black.

Chorus:

Dm Gm
We only said goodbye with words; I died a hundred times.
Bb A (n.C) (Dm)
You go back to her and I go back to...I go back to us.

Verse:

Dm Gm
I love you much,
Bb A
It's not e-nough; you love blow and I love puff.
Dm Gm
And life is like a pipe,
Bb A
And I'm a tiny penny rolling up the walls inside.

Chorus:

Dm Gm
We only said goodbye with words; I died a hundred times.
Bb A
You go back to her and I go back to...

 Into my own parade, cast your dancing spell my way,

 I promise to go under it.

Iron Maiden - Fear of the Dark

Verse 1:

Dm Bb C Bb C Dm
 ___ I am a man who walks alone, and when I'm walking a dark road
 Bb C Bb C Dm
 at night or strolling through the park
 Dm Bb C Bb C Dm
 ___ When the lights begin to change, I sometimes feel a little

Chorus:

 Bb F C Dm
 I have a constant fear that something's always near
 Bb C Dm C
 Fear of the dark, _____ Fear of the dark, _____
 Bb F C Dm
 I have a phobia that someone's always there

(the following verses have the same chords as the verse above; play it the same way you'd already done before)

Have you run your fingers down the wall
 And have you felt your neck skin crawl
 When you're searching for the light
 Sometimes when you're scared to take a look
 At the corner of the room
 You've sensed that something's watching you

Have you ever been alone at night
 Thought you heard footsteps behind
 And turned around and no one's there?
 And as you quicken up your pace
 You find it hard to look again
 Because you're sure there's
 someone there

Watching horror films the night before
 Debating witches and folklore
 The unknown troubles on your mind
 Maybe your mind is playing tricks
 You sense, and suddenly eyes fix
 On dancing shadows from behind

Fear of the dark, fear of the dark
 I have constant fear that something's
 always near

Fear of the dark, fear of the dark
I have a phobia that someone's
always there
Fear of the dark, fear of the dark
I have constant fear that something's
always near
Fear of the dark, fear of the dark
I have a phobia that someone's
always there

When I'm walking a dark road
I am the man who walks alone

Lynyrd Skynyrd - Sweet Home Alabama

D C G
Big wheels keep on turning
D C G
Carry me home to see my kin
D C G
Singing songs about the Southland
D C G
I miss Alabamy once again

And I think its a sin, yes

Well I heard mister Young sing about her
Well, I heard ole Neil put her down
Well, I hope Neil Young will remember
A Southern man don't need him around anyhow

D C G
Sweet home Alabama

D C G
Sweet Home Alabama
D C G
Lord, I'm coming home to you

In Birmingham they love the governor
Now we all did what we could do
Now Watergate does not bother me
Does your conscience bother you?
Tell the truth

Sweet home Alabama
Where the skies are so blue
Sweet Home Alabama
Lord, I'm coming home to you
Here I come Alabama

Now Muscle Shoals has got the Swappers
And they've been known to pick a song or two
Lord they get me off so much
They pick me up when I'm feeling blue
Now how about you?

Sweet home Alabama
Where the skies are so blue
Sweet Home Alabama
Lord, I'm coming home to you

Sweet home Alabama
Oh sweet home baby
Where the skies are so blue

And the governor's true
Sweet Home Alabama
Lordy
Lord, I'm coming home to you

Metallica - Turn the Page

Bm

On a long and lonesome highway east of Omaha

A

You can hear the engine moanin' out his one long one note song

E

Bm

You can think about the woman or the girl you knew the night before

Bm

But your thoughts will be wandering the way they always do

A

When you're ridin' sixteen hours and there's nothin' much to do

E

Bm

And you don't feel much like ridin', you just wish the trip was through

A

Bm

Here I am, on the road again

A

Bm

There I am, upon the stage

A

E

Here I go, playin star again

G

A

Bm

There I go, Turn the page

Bm

Well you walk into a restaurant, strung out from the road

A

And you feel the eyes upon you as you're shakin' off the cold

E

Bm

You pretend it doesn't bother you but you just want to explode

Bm

Most times you can't hear them talk, other times you can

A

All the same old clich?'s, "Is that a woman or a man?"

E

Bm

And you always seem outnumbered, you don't dare make a stand

A

Bm

Here I am, on the road again

A

Bm

There I am, upon the stage

A

E

Here I go, playin star again

G

A

Bm

There I go, Turn the page

Bm

Out there in the spotlight you're a million miles away

A

Every ounce of energy you try to give away

E

Bm

As the sweat pours out your body like the music that you play

Bm

Later in the evening as you lie awake in bed

A

With the echoes of the amplifiers ringin' in your head

E

Bm

You smoke the day's last cigarette, rememberin' what she said

A

Here I am, on the road again

There I am, upon the stage

Michael Jackson - Billie Jean

intro: F#m

F#m

She was more like a beauty queen from a movie scene

Bm

I said don't mind but what do you mean, I am the one

F#m

Who will dance on the floor in the round

Bm

She said I am the one

F#m

Who will dance on the floor in the round?

She told me her name was Billie Jean as she caused a scene.

Then ev'ry head turned with eyes that dreamed

Bm

Of being the one,

F#m

Who will dance on the floor in the round

D

F#m

People always told me, be careful what you do.

D

F#m

And don't go around breaking young girls' hearts

D

F#m

And mother always told me, be careful who you love,

D

C#(7)

And be careful what you do, 'cause the lie becomes the truth, hey

F#m

Billie Jean is not my lover,

Bm

She's just a girl who claims that I am the one

F#m

But the kid is not my son

Bm

She says I am the one,

F#m

But the kid is not my son

For forty days and forty nights, law was on her side

But who can stand when she's in demand,

Her schemes and plans

'Cause we danced on the floor in the round.

So take my strong advice: Just remember to always think twice

She told my baby we danced till three, and she looked at me,

Then showed a photo. My baby cried.

His eyes were like mine.

Can we dance on the floor in the round?

People always told me, be careful what you do.
And don't go around breaking young girls' hearts.
But you came and stood right by me, just a smell of sweet perfume.
This happened much too soon. She called me to her room, hey

 And did you exchange a walk on part in the war for a lead role in a
 cage?

 The same old fears. Wish you were here!

The Police - So lonely

C G Am F
Well, someone told me yesterday
C G Am F (or Cmaj/ run instead of F)
that when you throw your love away
C G Am F
you act as if you just don't care,
C G Am F
you look as if you're going somewhere.

C G Am F (pentC run)
But I just can't convince myself,
C G Am F
I couldn't live with no one else
C G Am F
and I can only play that part
C G Am F
and sit and nurse my broken heart. So lonely!

---CHORUS 1---

C G Am F	C G Am F
So lonely, so lonely, so lonely!	So lonely, so lonely, so lonely!
C G Am F	C G Am F
So lonely, so lonely, so lonely!	So lonely, so lonely, so lonely!

---VERSE 2---

C G Am F
Now no one's knocked upon my door
C G Am F
for a thousand years or more.
C G Am F
All made up and nowhere to go,
C G Am F
welcome to this one man show.

C G Am F
Just take a seat, they're always free,
C G Am F
no surprise, no mystery.
C G Am F
In this theatre that I call my soul
C G Am F
I always play the starring role. So lonely!

---CHORUS 2---

C G Am F	C G Am F
So lonely, so lonely, so lonely!	So lonely, so lonely, so lonely!
C G Am F	C G Am F
So lonely, so lonely, so lonely!	So lonely, so lonely, so lonely!
